

ICNA Relief USA Donation Refund Policy:

ICNA Relief USA does not provide full or partial refunds for donations after 60 days from the transaction or deposit date, or if an IRS-compliant donation receipt has been issued, or if your donation has been matched by your employer. However, if you believe your donation was not utilized appropriately, you may request a refund within 60 days by contacting us at donations@icnarelief.org. Your request will be evaluated by senior management, and a final decision will be made.

Please note, refunds are not available for stock donations, cryptocurrency, in-kind donations, donations made via Facebook, or car donations.
